---

Sorry to pester you again but I got an email out of the blue from the Port of Houston that they had heard that the MOU had been signed by the EPA and the Port wants me to send a copy signed from commissioners court (see below). I asked where they got this info. and Linda says below that their technical person Nicole was informed by Stephen Tzhone yesterday.

If so, that is good news and please send a pdf copy to me.

Thanks.

Snehal,

My understanding is that Steve Tzhone called Nicole Hausler yesterday afternoon and told her that the MOU had been signed by EPA.

Linda,

I have been waiting for the signed MOU from EPA but have not received it. But as a placeholder, I have put it on the commissioners court agenda for Dec. 21 in hopes of getting it (see attached) . When and where did you hear that it has been signed by the EPA?

Thanks,  
Snehal

Snehal,

It is our understanding that the MOU between Harris County and EPA has been signed by EPA and is awaiting signature authorization from the Harris County Commissioners Court. We would appreciate your sending us a copy of this agreement at your earliest convenience. Thanks for your help.
